

The Economics of **FREE TRADE & PROTECTIONISM**

**October 19, 2016 at 3:30 PM
Building E Auditorium
Wake Tech North Campus
FREE and OPEN TO THE PUBLIC**

Are **FREE TRADE** and **OUTSOURCING** bad for the economy?

Is **PROTECTION FROM FOREIGN COMPETITION** good for the economy?

Prof. Donald Boudreaux (George Mason University) is a well-known expert on international trade. He can cut through the political spin during this election season and provide listeners with an education about trade that is founded in economic fundamentals.
